

# Skip Counting in Fives

Accompanying activity sheet for video lesson

A caterpillar-shaped activity sheet for skip counting in fives. The caterpillar's body is composed of several rounded rectangular segments. The head is a green circle with two antennae and a smiling face. The numbers 5, 15, 30, 35, 60, and 85 are written in red inside some of the segments. There are also small 'Mr M' logos on some segments.

A second caterpillar-shaped activity sheet for skip counting in fives. The layout is similar to the first one, but with different numbers. The numbers 5, 30, 50, 60, 65, 75, 80, and 85 are written in red inside the segments. There are also small 'Mr M' logos on some segments.
