

## Stem and Leaf Plots

Create a stem and leaf plot for the following sets of data

a) The number of people who visited a wildlife park each day are:

42, 53, 32, 34, 35, 29, 45, 40, 29, 28, 27, 16, 28, 30, 35, 35, 39, 41, 48, 54, 50, 49

b) The heights of children in a class are measured in centimetres:

135, 156, 142, 148, 164, 138, 155, 158, 161, 150, 153, 167, 149, 150, 151, 132, 145, 157
